Fiscal Year 1993-94 - \$28.5 Million

THE JUDICIAL SYSTEM GENERALLY

The judicial system of South Carolina is composed of the Supreme Court, Court of Appeals, Circuit Courts, Family Courts, Magisterial Courts, Municipal Courts, Probate Courts, and Master-In-Equity Courts.

THE SUPREME COURT

The state's highest tribunal is the Supreme Court. The court has both original and appellate jurisdiction, but generally acts only in its appellate capacity. When the Court of Appeals was activated on September 1, 1983, the Supreme Court reserved exclusive jurisdiction over cases on certiorari from the Court of Appeals and five classes of appeals directly from the circuit and family courts. The five classes are cases which involve (1) the death penalty, (2) public utility rates, (3) significant constitutional issues, (4) public bond issues and, (5) the election laws. Other appeals from the circuit and family courts are apportioned between the Supreme Court and Court of Appeals. The Supreme Court renders decisions based on lower court transcripts, briefs, and oral arguments. In addition to hearing and deciding cases, the court also has rulemaking authority for the unified judicial system, including ethics regulations for judges and controlling admissions to and disciplining of the members of the South Carolina Bar. The Supreme Court is composed of a Chief Justice and four Associate Justices who are elected by the South Carolina General Assembly for terms of ten years. The terms are staggered and a justice may be reelected to any number of terms.

THE COURT OF APPEALS

The Court of Appeals was created to hear most types of appeals from the circuit court and the family court. Exceptions are when the appeal falls within any of the five classes listed above.

The Court of Appeals is the judicial system's newest court, having commenced operation on September 1, 1983. It consists of a Chief Judge and five associate judges who are elected to staggered terms of six years each. The court sits either as two panels of three judges each or as a whole, and it may hear oral arguments and motions in any county of the state.

THE CIRCUIT COURT

The Circuit Court is the state's court of general jurisdiction. It has a civil court, the Court of Common Pleas, and a criminal court, the Court of General Sessions. In addition to its general trial jurisdiction, the Circuit Court has limited appellate jurisdiction over appeals from the Probate Court, Magistrate's Court, and Municipal Court, as well as state administrative and regulatory agencies. The State is divided into sixteen judicial circuits.

Each circuit has at least one resident circuit judge who maintains an office in the judge's home county within the circuit. There are forty circuit judges who serve the sixteen circuits on a rotating basis, with court terms and assignments determined by the Chief Justice based upon recommendations of Court Administration. Circuit Court Judges are elected to staggered terms of six years.

THE FAMILY COURT

The uniform statewide Family Court system was established by statute in 1976. The Family Courts have exclusive jurisdiction of all matters involving domestic or family relationships. Pursuant to this provision, the Family Courts are the sole forum for the hearing of all cases concerning marriage, divorce, legal separation, custody, visitation rights, termination of parental rights, adoption, support, alimony, division of marital property, and change of name. The courts also generally have exclusive jurisdiction over minors under the age of seventeen alleged to have violated any state law or municipal ordinance. However, most traffic and fish and game law violations are still triable in the magistrate or municipal courts. Serious criminal charges may be transferred to the Circuit Court.

At least two family court judges are elected for staggered six year terms to each of the sixteen judicial circuits, with forty-six judges who rotate primarily from county to county within their resident circuits, but also to other circuits based upon caseload requirements as directed by the Chief Justice.

THE MAGISTERIAL COURT

There are approximately 295 magistrates in South Carolina each serving the county for which he or she is elected. They are appointed to four-year terms by the Governor upon the advice and consent of the Senate. Magistrates generally have criminal trial jurisdiction over all offenses subject to the penalty of a fine not exceeding \$500 or imprisonment not exceeding 30 days. In addition, they are responsible for setting bail, conducting preliminary hearings, and issuing arrest and search warrants. Magistrates have civil jurisdiction when the amount in controversy does not exceed \$2,500. Effective January, 1996, magistrate's civil jurisdiction increases to \$5,000.

THE MUNICIPAL COURT

The uniform system of municipal courts was created by legislation in 1980. The act repealed by implication all statutes which created different types of municipal courts not in conformity with the new system. Under the act, any municipality may create a court for the hearing of those state offenses and municipal ordinances subject to a fine not exceeding \$500 or imprisonment not exceeding 30 days, and which occur within the municipality. Municipal Courts have no civil jurisdiction. The term of a municipal judge is set by the council of the municipality, but cannot exceed four years.

A municipality may create a court and then contract with the county governing body for the services of a magistrate, when approved by the Chief Justice. Over 201 municipalities in South Carolina have chosen to create municipal courts.

THE PROBATE COURT

Each county has a Probate Judge who is popularly elected to a four year term and has jurisdiction over marriage licenses, estates of deceased persons, guardianships of incompetents, conservatorships of estates of minors and incompetents, minor settlements under \$10,000 and involuntary commitments to institutions for mentally ill and/or chemically dependent persons. They also have exclusive jurisdiction over trusts and concurrent jurisdiction with Circuit Courts over powers of attorney.

MASTER-IN-EQUITY

In 1988 the legislature amended the statutes which govern the Master-In-Equity system. Masters are appointed by the Governor with the advice and consent of the General Assembly for a term of six years. They may serve in a full or part-time capacity and are compensated by the county governing body. Masters-In-Equity have jurisdiction in matters referred to them by the Circuit Courts. They have the power and authority of the circuit court sitting without a jury, to regulate all proceedings in every hearing before them and to do all acts and take all measures necessary or proper for the efficient performance of their duties under the order of reference. This includes the power to rule on all motions, require the production of evidence, rule upon the admissibility of evidence and call witnesses and examine them under oath. Masters may also conduct sales under certain circumstances. There are currently 20 Masters-In-Equity. Final orders based on masters' reports are executed by circuit judges unless the master enters final judgment under limited circumstances. Appeals from final judgments entered by a master are to the Circuit Court unless otherwise directed by order of the Circuit Court or by consent of the parties.

SOUTH CAROLINA COURT ADMINISTRATION

South Carolina Court Administration was established in 1973 pursuant to the new Judicial Article of the South Carolina Constitution, which provides that the Chief Justice shall appoint an Administrator of the Courts and such assistants as deemed necessary to aid in the administration of the courts of the State. The State Court Administrator serves as the Director of the Office of South Carolina Court Administration. It is the administrative arm of the Chief Justice in his capacity as the administrative head of the state judicial system.

The Office of South Carolina Court Administration engages in a wide range of responsibilities and duties. A sampling of these activities follows:

1. Recommends to the Chief Justice the scheduling of terms of Circuit Court and Family Court and the assignment of judges to preside over these terms.
2. Supervises the administration of Circuit Courts, Family Courts, Probate Courts, Masters-In-Equity, Magistrates, and, to a limited degree, Municipal Courts, as well as the support personnel related to these courts, such as Clerks of Court.
3. Collects extensive caseload information and activity statistics on the operation of the Circuit Courts, Family Courts, Probate Courts, Magistrate Courts, Municipal Courts, and Masters-In-Equity.
4. Provides assistance to individual courts in calendar management, jury management, and recordkeeping. Such assistance is provided at the request of the individual trial courts or at the initiation of the Office of South Carolina Court Administration when problems come to its attention.
5. Serves as a clearinghouse of new studies and reports in the area of judicial administration and reform.
6. Makes recommendations to the Chief Justice on administrative or procedural rules being considered for adoption and analyzes the potential effect of such proposed rules on the system.
7. Supplies reports and documents to the legislature, appears before legislative committees, and drafts proposed legislation with the aid of advisory committees and others.
8. Conducts the mandatory legal education programs for summary court judges including orientation schools for new judges and regional schools on specific subject matters. Also conducts schools for new probate judges and clerks of court.
9. Administers the Judicial Commitment Fund and the Interpreters for the Deaf Fund.
10. Coordinates with and assists, when requested, the Judicial Standards Commission and the Office of the Director of Finance and Personnel of the Judicial Department and other agencies of state government such as the Office of the Attorney General, the Department of Juvenile Justice, State Law Enforcement Division, the Office of the Governor. Representatives of the office serve on various committees within the Judicial Department and state government.
11. Serves as secretariat to the Judicial Council and the Appellate Defense Commission.
12. Carries out such additional duties as assigned by the Chief Justice of the Supreme Court.

The foregoing enumerates a wide area of activity which involves various specific duties. The role of the Office of Court Administration has been an expanding one as reforms of the court system have been analyzed and implemented.

OFFICE OF THE DIRECTOR OF FINANCE

This office is directly responsible to the Chief Justice for the Judicial Department's internal fiscal operation. In addition to budgetary management, all personnel matters, payrolls and purchasing are the responsibility of this division. The State provides total funding for the operation of the Supreme Court, the Court of Appeals, and Court Administration.

The State also funds the salary of the circuit and family court judges, their law clerks, secretaries, and court reporters as well as related equipment and supplies. County governing bodies are responsible for providing facilities and other support personnel for the operation of the Circuit, Family, Probate, Magisterial Courts, and Masters-In-Equity.

A portion of all fines, forfeitures, and other revenues generated by the circuit and family courts are paid into the State, with the balance going to the local governing bodies. All magisterial court fines and forfeitures and civil filing fees are paid to the local governing body. There are assessments collected by courts and remitted to the State.

JUDICIAL COMMITMENT ACT

Funds appropriated by the state legislature are used to provide designated examiners, and legal representation involved in involuntary mental and/or chemically dependent commitment proceedings. These proceedings are brought in the Probate Courts of this state. The fund is administered by the Office of South Carolina Court Administration.

THE CLERKS OF COURT

Each county in South Carolina has a popularly elected Clerk of Court who serves a four year term. The Clerk of Court serves the Circuit Court and Family Court. Duties of clerks extend to both civil and criminal areas: receiving criminal warrants and forwarding them to the solicitor; receiving bail; assembling trial lists; performing courtroom duties; handling jury-related matters; receiving and distributing fees, fines, restitution, costs, and child support payments as ordered; maintaining all court records; and handling reporting requirements. In 34 of the 46 counties, the clerk serves as the Register of Mesne Conveyances and thus keeps all records required by the recording statutes. All funding of clerks of court for staff, office space, and equipment is a county responsibility.

THE SOUTH CAROLINA BAR

The South Carolina Bar was created by Rule 410, South Carolina Appellate Court Rules. The rule provides for the purposes of the Bar:

The purposes of the organization shall be to uphold and defend the Constitution of the United States and the Constitution of the State of South Carolina; to protect, and maintain respect for, representative government; to continually improve the administration of justice throughout the state; to require the highest standards of ethical and professional conduct, and uphold the integrity and honor of the legal profession; to advance the science of jurisprudence; to promote consistent high quality of legal education and legal services to the public; to apply the knowledge, experience and ability of the legal profession to the promotion of the public good; to encourage good will and respect for integrity and excellence in public service among the members of the legal profession and the public; to perform any additional purposes and duties assigned to it by the Supreme Court of South Carolina; to promote and correlate such policies and activities of the Bar organization as fall within these purposes in the interest of the legal profession and of the public.

As of December 31, 1994, 8,475 attorneys were members of the South Carolina Bar.

BOARD OF COMMISSIONERS ON GRIEVANCES AND DISCIPLINE

The caseload of the Board increased so dramatically that the prior Rule was revised by Order of the Supreme Court dated January 17, 1983.

Every grievance received by the Board is reviewed by the Chairman; she may dismiss the grievance for lack of merit; refer it to another Commission which may best suit the need of the Complainant, such as the Fee Disputes Committee; or the matter may be assigned for investigation by a member of the Board from the circuit where the attorney complained about resides. Due to the increase in grievances there are now sixty-two Board Members from around the State who conduct investigations and serve on fact finding panels. When an investigative report has been filed by a Board member, the matter is then scheduled for review by the Executive Committee. The Executive Committee is made up of six of the Board members, the Chairman of the Bar's Professional Responsibility Committee, and two lay persons, and meets monthly.

If the Executive Committee finds no merit to the grievance, the matter is dismissed. If the Committee finds probable cause that a violation of the Rules of Professional Conduct has occurred, the matter is referred to the Attorney General's Office and formal charges are brought by way of a Formal Complaint against the attorney. After an Answer is filed by the Attorney, the matter is set for a hearing by a three member panel made up of members of the Board. Ninety days after the hearing the panel must submit a report of their findings of fact, conclusions of law, and a recommendation as to what sanction should be imposed on the attorney for the violation. The entire matter is then reviewed by the Executive Committee; the Committee makes an independent recommendation as to sanction; and the matter is thereafter certified to the Supreme Court for its review and final disposition.

All proceedings before the Board of Commissioners on Grievances and Discipline are confidential.

A statistical summary is set forth on the following page. This summary differs from years prior to 1982 because a log is now kept of all inquiries being considered. Prior to 1982, only those grievances forwarded for formal investigation were used for statistical purposes. The present method is a more accurate accounting of the case load of the Board.

THE BOARD OF COMMISSIONERS ON JUDICIAL STANDARDS

The Supreme Court, under the authority vested in it by Article V of the South Carolina Constitution, issued Supreme Court Rule 34, Rule on Judicial Discipline and Standards, now South Carolina Appellate Court Rule 502, which provides for the formation of the office of the Board of Commissioners on Judicial Standards, and also sets forth its area of responsibility and duties. The Judicial Standards Commission office commenced operation November 1, 1976. The Board, presently comprised of twelve members--one Appeals Court Judge, three Circuit Court Judges, two Judges of Inferior Courts of Record, two Magistrates, two members of the Bar of South Carolina in good standing who do not and have never held a judicial office, and two lay persons--was formed to accept grievances from complainants against South Carolina judges and to make any necessary inquiry to determine if a judge has violated the Code of Judicial Conduct or has acquired any physical/mental disability of a permanent nature which might affect his ability to perform his official functions.

South Carolina Appellate Court Rule 502 also provides for the appointment of nine Hearing Masters by the Supreme Court. If, after a preliminary investigation by the staff determines that probable cause exists and a hearing is scheduled by the Board, three Hearing Masters are selected by the Supreme Court to hear the case against the respondent judge. The Hearing Masters have the duty of reporting their findings of fact and conclusions of law to the Commission with respect to the issues presented by the complaint and answer.

After reviewing the record and the report of the Hearing Masters, the Board has the authority to accept, modify, or reject the findings of the hearing Masters. The respondent and the examiner are given an opportunity to be heard on oral arguments before the Commission, after which the Commission's Report and recommended disciplinary action is certified to the Supreme Court, which makes the final decision in the matter. At that time it will become a matter of public record if a public reprimand or suspension is ordered.

The Examiner for the Board, an Assistant Attorney General, is appointed by the Supreme Court.

The office staff is composed of an Executive Secretary and an Administrative Assistant whose duties are to accept from the public, or other sources, grievances against judges and to make an initial inquiry in order to present the facts to the Board at their regular meetings. The office staff performs the usual duties of maintaining files and records of the Board, and the Executive Secretary also conducts any investigation required by the Board.

The following is statistical data reflecting cases received and disposed during 1994.

During the past year, January 1, 1994 through December 31, 1994, the Board met seven times and handled 147 matters relating to grievances against judicial officers. 142 new grievances were received in 1994 with 23 grievances pending on January 1, 1994. Of the 147 matters handled, 133 grievances reached final disposition, resulting in a year-end caseload of 14 pending grievances and 18 grievances remaining to be reviewed by the Board which were received after the final Board meeting of the year.

ANALYSIS OF DATA:

The Commission reviewed 134 new written grievances during calendar year 1994. There were 28 matters with some degree of misconduct. This includes the Supreme Court's issuance of 2 private reprimand and 2 public reprimands, and the Commission sending letters of caution or admonition to 7 judges. These latter cases were situations in which the judge in question was guilty of misconduct but not sufficiently serious to warrant a formal complaint being served and the matter eventually going before the Supreme Court. Of the 134 new cases reviewed, 11 pending cases remained under investigation, which together with 3 pending cases remaining from 1993, leaves a total of 14 pending cases on December 31, 1994.

Slightly less than 73% of all complaints were dismissed by the Board without any sanctions against the judge. These grievances were either totally unfounded, there was a lack of jurisdiction, or they were appellate matters. 91% of the new complaints were received from litigants or the litigant's family. A common assertion made was that the judge failed to give the parties a fair hearing and/or was arrogant and rude.

Members of the Commission/Staff made several presentations during the year to magistrates' orientation courses and conventions, and to Judicial Continuing Legal Education Seminars.

There were seven Board meetings conducted during the reporting period.

BOARD OF LAW EXAMINERS

Section 4 of Article V of the Constitution provides that the Supreme Court shall have jurisdiction over the admission of persons to the practice of law and, pursuant to this provision, the Court has appointed a Board of Law Examiners whose responsibility it is to determine whether or not the applicants possess the necessary legal knowledge for admission. In addition, the Court has appointed a Committee of five attorneys to determine whether the applicants possess the character and fitness for admission.

The bar examination consists of a multistate examination as given by the National Conference of Bar Examiners. This is a machine graded examination that is given in 49 states, including the District of Columbia and U. S. territories, on the last Wednesday in February and July each year. In addition to the multistate examination, the examiners prepare questions and test the applicants on additional subjects. The essay portion of the examination is given on Thursday and Friday following the multistate examination.

The Clerk of the Supreme Court serves as secretary to the Board of Law Examiners, and the administrative work in connection with bar admissions is the responsibility of the Clerk.

The following statistics will be of interest.

COMMISSION ON CONTINUING LEGAL EDUCATION AND SPECIALIZATION

In 1976, the Supreme Court of South Carolina (Court) adopted a rule which required mandatory continuing legal education (CLE) for all judges within the state judicial system except magistrates and municipal judges (magistrates and municipal judges are required to complete twelve hours of continuing legal education annually pursuant to an order of the Chief Justice). To implement the judicial CLE requirement, the Court established the Continuing Legal Education Commission. Because of the success of the mandatory CLE program for judges, in 1976 the Court adopted a rule requiring mandatory CLE for all active lawyers. To implement and administer that rule, the Commission on Continuing Lawyer Competency was established.

In 1992, in order to promote efficiency and in the interest of economy, the Court combined the Commission on Continuing Legal Education and the Commission on Continuing Lawyer competency into the commission on Continuing Legal Education and Specialization. This new commission, which is responsible for both judicial and lawyer mandatory CLE and the legal specialization program, consists of twelve members appointed by the Court from nominations submitted by the South Carolina Bar House of Delegates (chair and secretary are designated by the Court). Nine of the members are active attorneys and three are judges (one each appellate, circuit and family). The Commission neither receives nor expends any state appropriated funds, but is financed solely by fees paid by judges, attorneys and organizations using the Commission's services. The present annual mandatory CLE requirement for judges is fifteen hours. Active lawyers are required to complete a minimum of fourteen hours CLE annually of which at least two hours must relate to legal ethics/professional responsibility.

COURT OF GENERAL SESSIONS

Filings and Dispositions

During 1994, filings in the Court of General Sessions decreased by 10.2% and dispositions by 9.5%. Filings in 1994 show a significant decrease due largely to changes in legislation which reclassified certain economic crimes to offenses within magistrate court jurisdiction.

The report on the following pages shows, for each circuit and county, the number of filings and dispositions during the year.

COURT OF GENERAL SESSIONS

General Sessions Dispositions

A total of 106,873 indicted and unindicted warrants were disposed during 1994. Of those, 45.1% or 48,149 warrants resulted in convictions. Non-convictions, which include verdicts of not guilty and administrative actions such as dismissals or decisions not to prosecute, were the result in 43.3% or 46,225 of the cases. The remaining 11.7% or 12,499 warrants were not true-billed by the grand jury or were disposed by transfer to other courts or other types of disposition.

The large increases in the number and percentage of non-convictions, as compared to 1988 and before, is due in part to a change in the type of cases included in this information. Since 1989, unindicted warrants have been included in the General Sessions information system. Such warrants typically have a greater likelihood of not being prosecuted.

The report on the following pages shows, by county and circuit, the number of warrants disposed during the year and the method of disposition.

COURT OF GENERAL SESSIONS

Dispositions for Selected Offenses

The report on the following five pages shows the number of dispositions for a selected group of offenses. Selection was based upon every offense with at least 140 dispositions during 1994. Offenses are listed in order of most dispositions.

For each offense listed, the total number of dispositions is listed, followed by that offense's share of the statewide total of dispositions. For example, the total of 6,298 dispositions for DUS 2nd offense is 5.9% of the 106,873 cases disposed in the Court of General Sessions during the year.

Also, for each offense, its number of dispositions is broken down into categories of convictions, non-convictions and other dispositions. Each category shows the number and percentage share for that offense. As another example, 4757 convictions were obtained in DUS 2nd offense cases or 75% of the time.

FAMILY COURT

Age of Pending Cases

During the year, the pending family court caseload increased by 9.2% to 34,981 cases. The measurement of pending cases does not include proceedings which are supplemental to other family court cases, such as the enforcement of prior court orders which demand a significant amount of attention from the family courts.

The share of pending cases aged less than six months from date of filing has remained at 75% for the past two years. Of the total pending, the average age from date of filing was 125 days, or approximately four months.

The age of pending cases report follows on the next several pages and measures, for each circuit and county, the number and percentage of cases pending in various age categories.

PROBATE COURT

Filings and Dispositions

Every county has its own probate court which exercises jurisdiction over marriage licenses, estates of deceased persons, guardianships of incompetents, conservatorships of estates of minors and incompetents, and involuntary commitments to institutions for mentally ill and/or chemically dependant persons. Caseload filings and dispositions have been reported to the Office of Court Administration beginning with calendar year 1984. A new Probate Code was implemented on July 1, 1987, effecting a change in the courts' jurisdiction over guardianships and conservatorships.

The statewide filings and dispositions since 1984, are listed in the table at the bottom of this page. Two county-by-county reports follow on the next several pages. The first measures the caseload of estates; the second, guardianships and conservatorships.

MAGISTRATE COURT

Filings and Dispositions

The magistrate courts handle more cases than any other level of court; last year 66% of all dispositions were in these courts.

Prior to 1986 and since 1992, filings and dispositions remained constant, with year to year fluctuations seldom exceeding 1%. 1994 estimates indicate significant change from the 1993 figures: an estimated 1,060,000 cases were filed (up 12.2%); 1,050,239 were disposed (up 11.7%). Traffic cases consistently account for two-thirds of the total, with the remaining third split between civil and non-traffic criminal.

Most criminal cases (traffic and non-traffic) result in convictions: 88% were convictions, 5.1% were non-convictions and 6.9% were either dismissed or transferred. Dispositions by bond forfeiture are more prevalent in traffic cases than in non-traffic cases (31% to 14%, respectively).

The following reports list for each magistrate and county the number of cases disposed during the year. Criminal and traffic dispositions are detailed according to the type of disposition.

MUNICIPAL COURT

Filings and Dispositions

During 1994, municipal court filings increased by 37,910 cases or 9.5%. Dispositions increased by 35,090 or 8.9%. The municipal courts handle more than one-fourth of the trial court caseload for the state.

The pattern established over several years is that traffic cases account for approximately sixty-one percent of the case filings in municipal courts. The remainder is split between non-traffic cases and municipal ordinance violations.

Regarding case dispositions, a large majority, 68%, of the cases are disposed by bond forfeiture or other administrative action. Jury trials are conducted for nearly 1% of the cases and non-jury or "bench" trials account for 31%. These percentages vary only slightly from those for previous years.

1994 ANNUAL JUDICIAL SURVEY

Each year the offices of the Clerks of Court, Probate Courts, Masters-In-Equity, Public Defenders, Magistrates and Municipal Courts provide South Carolina Court Administration with a survey response describing the personnel and operating costs and the revenues collected by each office. For 1994, the costs for operating each office are taken from the amounts appropriated by the counties for each office for fiscal year 1994-95. The revenues collected reflect the amounts actually collected during fiscal year 1993-1994. The survey was taken during October, 1994.

Every effort is made to encourage the survey respondents to provide this financial data in a manner that lends itself to comparisons among the same office in other counties. Unfortunately, since counties do not prepare budgets for these court offices in a uniform manner, certain types of information may be reported differently from county to county. For example, some -- but not all -- counties are able to identify fringe benefits and include them in total personnel costs. Also, some county offices must estimate major portions of their operating costs when office supplies, rent and services are not budgeted separately for each office or department. Finally, most clerks of court also serve as their county's register of mesne conveyances (RMC) which maintains property records. RMC-related costs are not subtracted from the clerks', but RMC revenues are excluded from those collected by clerks. Of course, the twelve counties which employ a RMC separately from the clerk of court do not have RMC costs mixed with the clerk's.

For each type of office, a chart and graph illustrate the annual changes in costs and revenues for the eleven fiscal years from 1982-83 through 1994-95. The county-by-county tabulation of the surveys of each office follows. Within that tabulation, a statewide ranking is provided based on the number of full time employees, total budget and, where applicable, total revenues collected. Whenever two or more counties share a ranking, the rankings are then calculated alphabetically. For example, both the Edgefield and Fairfield clerks' offices have 5 full time employees; Edgefield is ranked thirty-seventh and Fairfield is ranked thirty-eighth.

The costs for operating the other offices within the judicial system are provided for in the State Appropriations Act and are not included in this survey.
